ELLINGTON

CREATING SPACES FOR MODERN LIFESTYLES

We see things differently at Ellington. While many make the mistake of equating living well with owning a large house filled with material possessions, we believe it has more to do with spaces that match your way of life.

As a boutique property developer, we focus on crafting homes that are artisanal in design while paying close attention to every detail, right from architectural aspects to interior finishing touches. Our 75 years of combined experience have led us to recognise that functionality matters just as much as aesthetics.

That is why we design homes with both logical and emotional appeal.

Ellington. Homes that inspire.

A CITY THAT CHALLENGES CONVENTION

A city that is multifaceted in every sense, residents of Dubai enjoy a wide selection of dining, entertainment and retail options that cater to individuals from all walks of life.

Offering a cosmopolitan atmosphere combined with modern infrastructure and economic growth, it is no surprise that Dubai is a popular choice for expats from around the world.

With close to 200 nationalities, it is arguably one of the most multicultural cities in the world.

DUBAI—A LAND OF OPPORTUNITY

Easily accessible from Europe, Africa and Asia, Dubai is optimally located for transcontinental trade. Boasting a tax-free environment as well as one of the fastest growing economies in the world, it is no surprise that the city is a popular choice for entrepreneurs and professionals from across the globe. Dubai is also due to host the World Expo in 2020.

Aside from being a lucrative destination for business ventures and employment opportunities, Dubai has also earned a reputation as a leisure destination.

Family friendly attractions are plentiful and include theme parks, ice rinks and trampoline parks along with exhilarating desert safaris. Individuals in search of an adrenaline rush can enjoy a wide array of activities including water sports, skydiving and indoor skiing, while those who prefer laid-back forms of recreation can relax at the city's parks, quaint cafés and sandy beaches.
